The Taluk Board reconsidered its Resolution No.186 dated 1-12-1932 with reference to G.O.No.Ms.42-P.H., dated 6th January 1933 and decided to transfer the provision of a Rural Dispensary at Lokkanahalli to Palayam from 1st April 1933.

The Government sanctioned the opening of a Dispensary at Lokkanahalli in their order No.411 P.H. dated 24-2-25. But as a qualified medical Practitioner was not forth-coming, the Dispensary remained un-opened till March 1932, when Government in their order No.472-P.H. dated 3-3-1932 directed the Taluk

Thekkarai at (E)

Board not to open subsidised rural dispensaries which have been sanctioned but not opened yet.

The necessity for a dispensary at Palayam has already been explained in this office letter R.O.C.No.558/supr 32 dated 3-12-32 (copy enclosed). Since the Government refused to sanction any grant towards the cost of maintaining an allopathic dispensary at Palayam the Taluk Board resolved in its Resolution No.240 dated 4-2-1933 to transfer the provision of the sanctioned Rural Dispensary at Lokkanahalli to Palayam. I request the Government may be pleased to accord their approval for the Taluk Board proposal and sanction the usual subsidies for the rural dispensary.

MADRAS.

Sir,

In forwarding herewith a copy of Taluk Board Resolution No.186 dated 1-12-1932, I have the honour to submit as follows:-

The necessity for a regular dispensary at Palayam is keenly felt for the past several years. The village has a population of 3310 and its surrounding villages of Doddinduvadi, Chickinduvadi, Ikkadahalli, Chickayalur, Thellanur, Uganiam, and Sathegal are also thickly populated and have got a population of 11308. At present the villagers of these villages have to go over to Kollegal(Taluk Head quarters) hospital for medical aid and these are more than 7 to 15 miles fror Kollegal,

and they find it extremely difficult to go over there and the villagers cannot reach the hospital in time to get the required aid. These villages are also malarial and as such require a hospital to give relief to the suffering villagers. There is no medical practitioner either ayurvedic, Unani or Allopathic in these villages or in any place nearby. The matter was being agitated by the villagers ~~for~~ from a long-time and as the funds of the Taluk Board did not permit the running of a dispensary one was not opened till now.

Same as para 2 (R)

3. The transfer of any of the existing dispensaries under the Board to these parts is out of question as the other parts of the Taluk where there are Taluk Board dispensaries are also equally bad and highly malarial and medical aid is a matter of every day necessity there.

4. The Taluk Board considered all these and resolved to open a new Dispensary at Palayam as this village is ~~carefully~~ centrally situated ~~provided~~ and requests Government to sanction half the recurring expenditure. The financial condition of the Board is very poor and it cannot afford to run the new dispensary entirely ~~permits~~ from its funds without Government's financial aid. A copy of the Examiners remarks on the financial condition of this Board is enclosed for reference.

5. Under the circumstances stated above, I request, Government may be pleased to sanction at least half the recurring cost of expenditure for the regular dispensary ~~transferred~~ to be opened at Palayam.

I have the honour to be,
S i r,
Your most obedient servant,

(Sd) S. Prabhuswami

President, Taluk Board.

2. The District Medical Officer , Coimbatore , who was referred to in the matter does not recommend the transfer of the rural dispensary sanctioned for Lokkanahalli to Palayam as the latter is only 6 miles from Kollegal where there is a Government Hospital. The District Medical Officer further adds that the inhabitants of Lokkanahalli are crying for the establishment of a regular dispensary as it is highly malarious place and

as there is no medical institution near by. I agree with the District Medical Officer and state that Lokkanahalli deserves to have a rural dispensary rather than at Palayam. Attention is, in this connection, invited to G.O.No.17 P.H. dated 4-1-32.

3. No medical practitioner has settled down at or in the neighbourhood of Palayam.

The Govt regret that they are unable to sanction the proposal of the Kollegal Tk Bd to transfer the subsidised rural dispensary sanctioned for Lokkanahalli to Palayam. The Board's attention is in this connection invited to the remarks of the S.G. in his letter In.P.No.51-Hospitals/33 dt 25.7.33.
